SUPPLEMENTARY INFORMATION:

I. Background¹

On April 20, 2023, the Commission published an SNPR in the *Federal Register*, proposing to issue a modified safety standard for portable generators under the Consumer Product Safety Act (CPSA; 15 U.S.C. 2051-2089), and seeking written comments. 88 FR 24346. The SNPR seeks to address the unreasonable risk of injury and death associated with acute carbon monoxide (CO) poisoning from portable generators. The proposed rule limits CO emissions from portable generators and requires generators to shut off when specified emission levels are reached. The SNPR is available at: www.regulations.gov/document/CPSC-2006-0057-0118, and CPSC staff's briefing package for the SNPR is available at: www.cpsc.gov/s3fs-

¹ The Commission voted 4-0 to publish this document.

II. The Public Hearing

The Administrative Procedure Act (5 U.S.C. 551-562) and section 9 of the CPSA require the Commission to provide interested parties with an opportunity to submit “written data, views, or arguments” regarding a proposed rule. 5 U.S.C. 553(c); *see* 15 U.S.C. 2058(d)(2). The SNPR invited such written comments. In addition, section 9 of the CPSA requires the Commission to provide interested parties “an opportunity for oral presentation of data, views, or arguments.” 15 U.S.C. 2058(d)(2). The Commission must keep a transcript of such oral presentations. *Id.* The Commission received requests to present and, in accordance with the requirement in section 9 of the CPSA, the Commission is providing a forum for oral presentations concerning the proposed standard for portable generators.

To request the opportunity to make an oral presentation, see the information under the **DATES** and **ADDRESSES** sections of this document. Participants should limit their presentations to approximately 10 minutes, excluding time for questioning by the Commissioners or CPSC staff. To avoid duplicate presentations, groups or participants with substantially similar comments should designate a spokesperson, and the Commission reserves the right to limit presentation times or impose further restrictions, as necessary.

Alberta E. Mills,
Secretary,
Consumer Product Safety Commission.
